

CAITLIN VANDEN BLOOMER
3PS

Greetings! My name is Caitlin Vanden Bloomer and I am the 3-year-old teacher here at Trinity Lutheran in Menasha. I am a recent graduate from the Early Childhood program from Fox Valley Technical College. Over the many years I've been working in the field, I have gained some in depth training on behavior intervention for children with disabilities. I have also have several years' experience in working with children and adults who have disabilities. I feel that the Lord has given me a passion and a calling to serve others and so I've made it my career.

At home, I am a mother of two, Noah who's 7 and Andrew who's 2. My family lives in Neenah.
