On Monday's Mrs. Ciske has volunteered to work in the office from 12:30 to 3:45.

## ***Medications and Health Notes***

As we enter the cold and flu season, there is an increased risk of spreading germs. Please continue to use proper handwashing techniques at home and school. Children must be fever free for 24 hours before coming to school after they have been sick. If your child needs medication, you must fill out a consent form in the office for us to administer medicine to your child. We do not keep any medicine on hand, including cough drops, as we need parental consent to issue all medications and cough drops.

## ***Band Demonstration***

Band lessons have begun, but there is still time to get signed up if you are interested. Please contact the school office if you are interested in lessons.

## ***Home Volleyball Games***

Congratulations to the Tigers volleyball team as they secured a win last night against FVCA Neenah. Anyone can come to the games and cheer the girls on at the home games. The October 30th game is our last game of the season, and is also parent night for the students as well.

## ***Piano Lessons***

There are still openings for piano lessons for any student that may be interested in them.

## ***School Notes***

Please refrain from using door #7 for pick up and drop off of students during arrival and dismissal of school. Please use doors #3 and #5 as much as possible for picking up and dropping off students. Please use door #7 after 8:30 for drop off if you are late, and for school and throughout the day for school or Church business.

All tardy students must stop at the office to receive a tardy pass if they are late.

If your child is sick please call the office to let us know before 9am so we can mark them excused.

Parents are welcomed any time to come and have lunch with their children. If you want to check ahead on times, just call the school office and we can let them know what time your child's group goes down for lunch.
