Message From Pastor GeRue

Have you ever wondered what is taught at Trinity Lutheran School?
What is a Lutheran and What do they believe?

Then join us for 1 hour each Wednesday, beginning Wednesday, November 7th from 5:30 – 6:30 pm. We will meet for about 10 weeks total. If you have any questions please call Pastor GeRue at (920) 725-1715 ext. 207.

The Goal of "Teaching the Faith" is that parents and members of the congregation know what is taught at Trinity Lutheran School. The class will offer a refresher to those already understanding the Lutheran Church and Christian faith. It will give an understanding to the inquiring adult. It is an opportunity to join Trinity Lutheran Church, if you agree with what has been taught. It is the prayer that this class in "learning" the Word of God would continue to be your habit for the rest of your life.

We will see that:

- The Christian life of faith is lived from the Word of God that is received and believed.
- The Christian life of faith has real expressions:
 - in the ongoing reception of God's gifts in the Worship through the hearing of Scripture,
 - the hearing of preaching, and the Lord's Supper;
 - in the daily prayer of the Christian;
 - in the confession of one's faith in the world;
 - in the confession of one's sins to God or a brother;
 - in forgiving the sins of those who have sinned against him;
 - and in living by faith in Christ in the vocation to which God has called us.
- God has His own language for learning how to receive God's gifts in Worship, how to pray, how to confess, and how to live where God has called us.
- The Bible preserves for us the "pattern of sound words" (2 Timothy 1:13) so that it functions as both a prayer book and a handbook for the Christian faith and life.
- The chief reason why we instruct in the faith, is so that it can shape the faith and understanding of life and be used throughout his life as one learns to interpret Scripture, listen to preaching, receive the absolution, pray, confess, and live in their vocation.
- Teaching the faith is, therefore, much more comprehensive than classroom instruction and involves the actual doing of things that Christians will continue to do for the rest of their lives: attend Worship, listen to preaching, receive the Lord's Supper, confess their sins, receive absolution, pray, confess their faith, forgive one another, live as husbands, wives, fathers, mothers, children, workers of every kind.

If you have any questions or need anything please call me at Ext. 207.

Please mark your calendar for Friday November 9th. This is our annual Veterans Day Assembly, which starts at 10am in the school gym. The students will be presenting a patriotic thank you message to all of our Veterans past and present. This is a great time to honor all of our military veterans, so if you are a present military service member or have a family member who is a military veteran, we encourage you to spread the word and have them attend. We would love to have a great turnout for this event.

It's very important for our students to recognize the sacrifices our military veterans have made to protect our freedom.
