Vote for the Ultimate 2018 Packers Fan!

Nominee: Steve Sexmith - Appleton, WI

Lombardi.. Bengston.. Devine.. Starr.. Gregg.. Infante.. Holmgren.. Rhodes.. Sherman.. McCarthy.. Steve knows them all! And why is that? The Packers and Steve have a history, that's why. When Steve was 9 years old, he was all set to attend the NFL Championship game against the Cleveland Browns on January 2nd, 1965. Unfortunately, it snowed so hard his family could not make it to the game. But on September 25th, 1966, he made it to his first game against the LA Rams. You never saw a happier kid. A year later he attended the historic Ice Bowl. Not many kids can say that.

As he got older, Steve realized the importance of sharing his thrill of the game with those less fortunate than he is. The family season tickets were passed on to Steve in 1987. As a result, he has been able to share his coveted tickets with his foreign exchange student as well as other friends who otherwise would not be able to attend a Packers game. Making it possible for others to see a game was almost as exciting as going to a game himself.

Steve has a wonderful wife who supports his obsession with the Packers! She is tolerant of his HUGE Packers memorabilia collection, his travels to away games, fascination with "Breathe the Green and Gold" and his passion for all things Packers. One thing she could not support was Steve's passion for getting autographs from the players of the 60's after the game. If only that activity would be allowed today!

Throughout the years, Steve has always wanted to run the Packers flag across the end zone at the beginning of the game. As of late, he has come to realize that he doesn't have the physical capabilities to haul that large flag across the field without doing serious damage to himself! That being said, Steve will always have that burning desire to do just that. If you asked Steve's friends to describe him, the consensus of the group would be that Steve is a loyal, passionate, knowledgeable and Christian fan. His friends would be the first to say that his plan is to carry on the tradition of the Green Bay Packers in his heart as long as he lives.

And who knows? Maybe one of his grandchildren will have the experience of running that flag across the end zone. If that doesn't happen, they will still be able to say that their grandpa was at the Ice Bowl. But more importantly, Steve's willingness to go the extra mile and share his love for the game with others is something his family will never forget. Quite a legacy to leave for a fourth-generation group of Packers fans.

"I am humbled to be associated with the Green Bay Packers. I am also proud to be part of the Packers tradition. Go Pack Go!"

Lunch Volunteers Needed

Do you have 2, possibly 3 extra hours per week, or possibly a grandparent that is retired that has a few extra hours. If so, we can always use lunch helper to help serve and clean up after lunch service each day. We need help from about 11am to approximately 1pm.

Do you have a relative that likes to cook or make special meals? We may have a spot for that as well. We are welcoming parents or grandparents who may be interested in making something a little extra for lunch or helping with a meal during the month. This is a great way to help our school and give the students something a little extra. If you are interested in showcasing a special meal, dessert or just jello, please stop by the school office and we can discuss a time that will work with our monthly menu.

Come and Join Us For Chapel

Each Wednesday is our weekly Chapel service beginning at 8:45am. We welcome Parents, Grandparents or anyone else who would like to attend.

With our new semester of school just around the corner, we will have a new Chapel mission for the 2nd semester. If you need offering envelopes, you can pick them up in the office for from your Child's teacher.

KIDS HEART CHALLENGE

It's almost time for our Kids Heart Challenge! This is our chance to do our part! We can help end heart disease! Your children will be learning about things they can do to keep their own hearts healthy. At the same time we will be collecting donations to give the American Heart Association! This year there will also be fantastic prizes to earn for the donations collected.

The Kids Heart Challenge is an all-new, your-kids-are-going-to-love it program that prepares kids for success by supporting both their **PHYSICAL AND EMOTIONAL** well-being.

It is fun and easy to raise donations using our online tool! You can help your child set-up a customize web page with a photo or video and email it to friends and family asking for their support. Donations are made directly to your child's web page - it's that easy and something the family can do together! **Help your child join our school team online** and your family will be one step closer to being Heart Heroes helping to save lives!
