✝ Stewardship Lesson ✝

Acts 2:1 – "When the day of Pentecost arrived, they were all together in one place." Pentecost is the Old Testament harvest festival – it happens around the time when the wheat and oats are ready to be brought in. Of course, this was a picture and foreshadowing of the great harvest of humankind that God means to bring in through the preaching of His Word. God gives the seed, and God brings about the harvest. From first to last, in things temporal and things eternal, we stand only by His grace.
