Stewardship Lesson
Luke 12:15 – “And he said to them, ‘Take care, and be on your guard against all covetousness, for one’s life does not consist in the abundance of his possessions.’” Coveting is the opposite of being content with what God has given us. And the cure for coveting is twofold – thankfulness to God and generosity toward God’s purposes. So be on guard against all covetousness. Acknowledge that your Father has given you all you need, and therefore be free and confident in directing the mammon of this world toward godly purposes.
